## LOGGING, CONSTRUCTION, TRUCKING & HEAVY EQUIP. EXPO

**FEBRUARY 25, 26, & 27, 2010**

**LANE COUNTY CONVENTION CENTER & FAIRGROUNDS  
EUGENE, OREGON**

Dear Exhibitor:

It's time to plan for the **2010 Oregon Logging Conference**. We have some exciting things for this year's conference program and social events, that we think you will like. This year's theme, "**Forest Bio-Mass, Fuel of the Future?**" sets the stage for networking opportunities with industry professionals.

Enclosed in this booklet you will find valuable information pertaining to the conference schedule and exhibitor details. To reserve your display space, please complete the exhibitor contract and mail to the OLC office as soon as possible.

It is our goal to provide an educational experience for our members of the logging, construction and trucking industry to improve professionalism through certification. This year we have included seminars presented by our exhibitors. There will be 3 to 4 "Hands On" seminars in the outside display area and two additional seminars presented inside meeting rooms. (Please see program schedule for topics and times). We have worked out a schedule that will leave a maximum of free-time for your customers to visit the other exhibits as well.

The Oregon Logging Conference has long been known for its hospitality and social atmosphere. Your paid registration of \$85 per person will include a hosted breakfast on Thursday and Friday mornings, the OLC sawdust bowl at the end of each day's activities and access to all program and seminar sessions.

The Oregon Logging Conference is once again pleased to provide the venue for the Oregon Women in Timber fund raiser auction on Friday evening. This evening will provide an opportunity for you to entertain your customers. You can purchase tickets for preferred seating with advance reservations or purchase individual tickets as needed. The evening will begin with the Talk About Trees, fundraiser silent auction and followed by dinner and the live auction. Talk About Trees is a classroom education program that provides positive information for a healthy timber industry and is sponsored by Oregon Women In Timber. See enclosed information for more details.

We appreciate your participation at the 2010 conference and look forward to seeing you in February. Please remember the deadline to be listed in our program/show guide is **January 4th, 2010**.

If you have any questions please call 800-595-9191 or 541-686-9191 or go online at [www.oregonloggingconference.com](http://www.oregonloggingconference.com).

Sincerely,

## RULES AND REGULATIONS

1. All exhibitors attending the Oregon Logging Conference must pay the registration fee for everyone attending.
2. All exhibitors must pay the mandatory Education/Entertainment Fund fee. Each exhibiting company will be recognized in the Official Conference Show Guide. All information must be received prior to publication **deadline on January 4th.**
3. Management reserves the right to change display spaces without advance notice.
4. Your exhibit will be inspected by the **Fire Marshal** according to **Safety Regulations. All exhibitors must pass inspection or the show will not be allowed to open.** **NEW safety rules must be enforced; ALL Exhibitors must keep displays in place until the show closes at 2:00p.m.**
5. All equipment on tracks must be planked. Repair of damaged areas will be at exhibitor's expense.
6. All food and beverage arrangements must be made through the Lane County Convention Center. Call (541) 682-4292 for menus and prices.
7. You must provide OLC with a **Certificate of Insurance.** The proof of insurance must be provided by your insurance agent and returned to our office no later than February 1<sup>st</sup>.
8. Oregon is a regulated state — please make sure your carrier has the proper transportation papers designating the company as the authorized carrier.
9. All exhibitors are required to keep their displays within the designated space. Materials found outside the display area will be removed.
10. Outside Exhibitors are responsible for removing all planking, bark, logs, sawdust, debris, and decorative items. Exhibitors failing to do so will be charged a disposal fee.
11. The Conference is not responsible for lost or stolen equipment or displays.

## Show Set Up & Tear Down Schedule

Due to the size of this show and the nature of the equipment on display, organizing a set up and tear down schedule is important for efficiency and safety. **You are responsible to know when you can move in and out.** If you have any questions or special requests, call the Conference office at (541) 686-9191.

### Set Up

The Fairgrounds and buildings will be available to set up displays beginning at 8:00 am on Tuesday of the week of the show. **All displays must be in place by 4:00 p.m. Wednesday, of that week.** Late arrivals must be pre-arranged with the Conference. Call 541-686-9191 with questions. Your confirmation letter will designate your move-in time.

### Show Schedule

The Equipment Show is open to Oregon Logging Conference registered attendees and their guests Thursday and Friday from 8:00 a.m. - 5:00 p.m. and free to the public on Saturday, from 9:00 a.m. - 2:00 p.m. Exhibitors who remove displays prior to 2:00 p.m. maybe fined and not be allowed to display in the future.

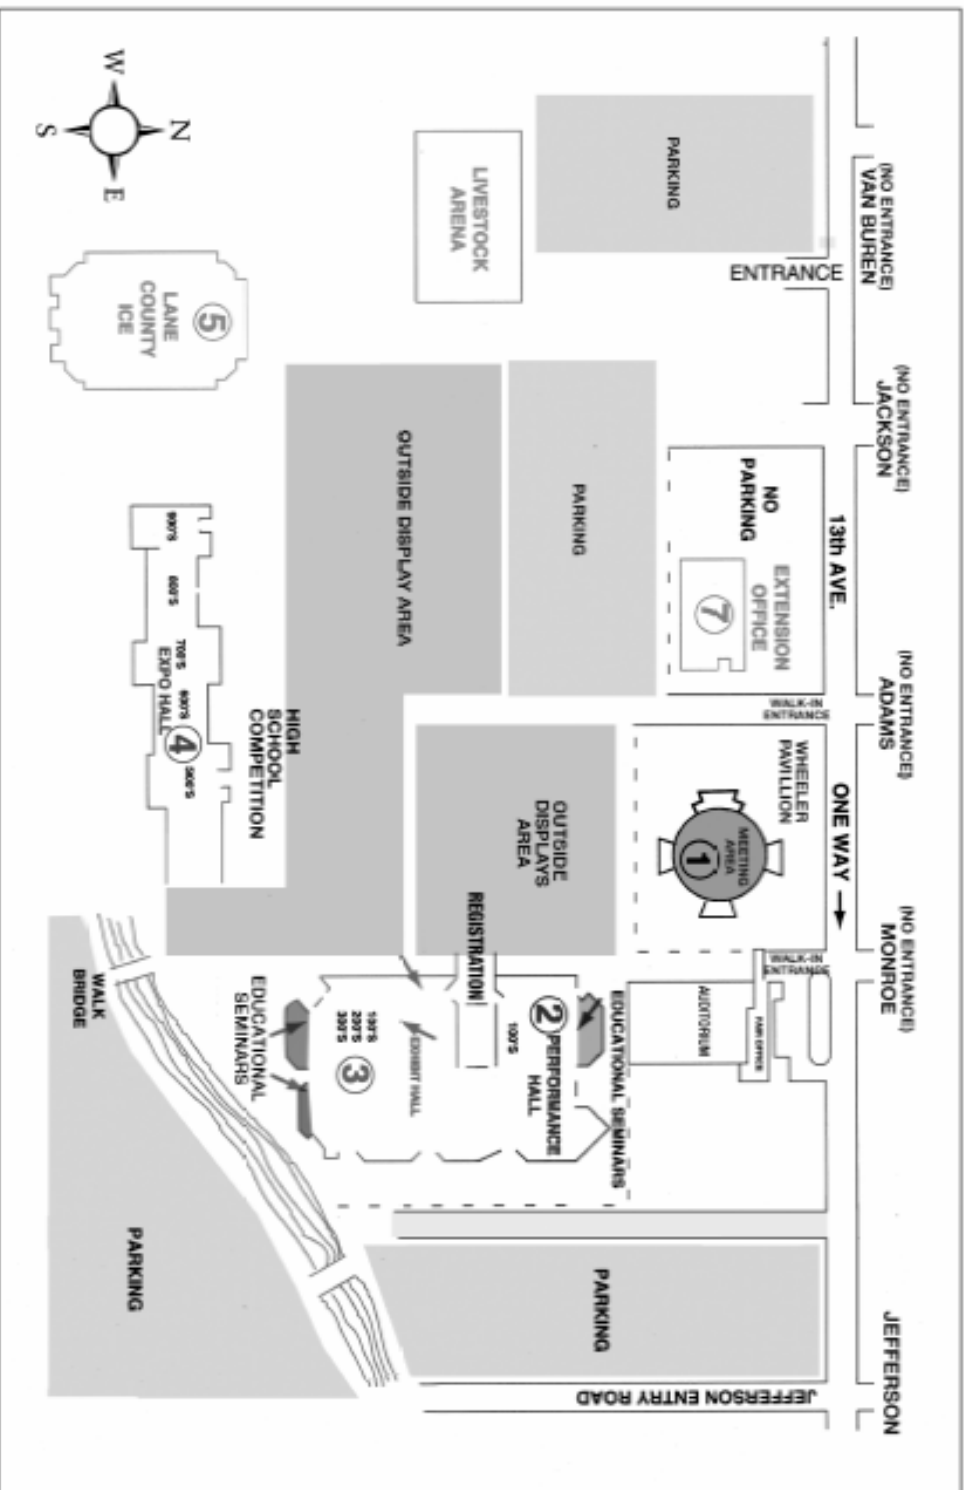

### Tear Down

**Outside:** Move-out begins Saturday, after 2:00 p.m. Autos, trucks and self-propelled equipment may move out from 2:00 p.m. - 3:00 p.m. At 3:00 p.m., trucks that do NOT need to breakdown the trailer to load equipment and tractors and trailers that do NOT require disconnecting will be allowed to move out. All other equipment will be allowed to move out all day Sunday, following the show. **New Safety Rules all Exhibitors must keep displays in place until the show closes at 2:00p.m.**

**Inside:** Move-out begins Saturday, after 2:00 p.m. Large truck displays will be assisted with move-out first in order to open up space in buildings. Other displays will then be allowed to move-out. **New Safety Rules all Exhibitors must keep displays in place until the show closes at 2:00p.m.**

All equipment must be completely removed from fairgrounds no later than **5:00 pm on the Monday, March 1st.**

Dear Friends:

Oregon Women in Timber would like to personally invite you to our 19th annual auction held each year to benefit our education program *Talk About Trees!* Come **Friday, February 26, 2010, for “The Main Event”** during the Oregon Logging Conference. The evening will begin at 6:00 PM with conversation and no host cocktails followed by an elegant sit down dinner, and a fabulous silent and live auction. A tropical theme will provide a fun escape for you. You won’t want to miss this grand social event! Join us for some serious bidding to support forestry education and after the auction, we invite you all to stay to visit with old friends and relax on into the evening.

**2 MILLION** Oregon students have participated in a *Talk About Trees* classroom program since 1991! *Talk About Trees* is a statewide forestry education program. The purpose of the program is to increase student’s knowledge and awareness of forestry and related issues, including the life cycle of trees, forest health, trees as a natural resource, forest as habitat for animals, and careers in forestry. The on-site, hands-on science unit of study is offered to pre-school through eighth grade students free of charge and is presented by *Talk About Trees* facilitators.

**Your support makes a difference!** A contract with the Oregon Forest Resources Institute (OFRI) is the primary financial support for the program, but no less critical is the support from our annual auction, grants, and many generous donations from individuals and business. This support and confidence enables *Talk About Trees* to continue educating Oregonians, young and old, about the valuable resource of our renewable forests.

Take a moment to consider how you can help keep this program in our schools. Fill out the response form enclosed. Your attendance at our auction, a cash donation or donation of an auction item will help us to maintain our success and reach even more students this school year. Remember – All donations and purchases are tax deductible. Oregon Women in Timber is a 501 (c) 3 non-profit organization. **Please note that your cash or item donation (s) and or table reservations must be received by January 31, 2010.**

Thank you for your continued support!
